Module 1	BEGINNERS Introduction to Forex Trading
DAY 1	1. Course Introduction
	* Overview of Forex Trading
	* Goals and Objectives of the Course
	* Open a brokerage account
	* Downloading MetaTrader4/5 and trading view on Smart phone and PC
DAY 2	2. Basic Concepts
	* What is Forex?
	Understanding Currency Pairs Base and quote currency
	Major, Minor, and Exotic Pairs
	* Pips
	* Spread
DAY 3	Basic Concept Cont.
	* Lot size
	* Leverage
	* Margin
	* Equity
	* Margin level percentage
	* Take profits
	* Stop loss
	* Order types/pending orders (limit and stop orders) and market execution
DAY 4	3. Market Participants
PA1 4	* Retail Traders
	* Institutional Traders
	* Central Banks
	* Brokers
	4. Forex Market Mechanics
	* Forex Market Hours
	* Trading Sessions
	* How the Forex Market Works
Module 2 DAY 5	
	Type of market Analysis
	1. fundamental analysis
	* key factors influencing fundamental analysis
	* How to check fundamental news using platforms like forexfactory.com,cnbc,e.t.c 2. Technical analysis
	*What is chart
	* Line Charts, Bar Chart, Candlesticks chart
	3. Sentiment analysis
Module 3	
DAY 6	Technical Analysis cont.
	1. Candlesticks study
	* Candlestick anatomy
	*Candlestick patterns (engulfing,pin bar,hammer)
	2. Supply and demand (Psychological levels)
	* how to plot psychological levels on chart
	3.Trend analysis
	* Identifying trends *Trend lines and channel
	*Trend lines and channel
	*Trend lines and channel 4. Indicators and oscillators
	*Trend lines and channel 4. Indicators and oscillators * RSJ, MACD, Stochastic Oscillator
	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * TDI indicator
	*Trend lines and channel 4. Indicators and oscillators * RSJ, MACD, Stochastic Oscillator
	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * TDI indicator
	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * TDI indicator
Module 4	*Trend lines and channel 4. Indicators and sociilators * RSI, MACD, Stochastic Oscillator * TDI indicator *Moving averages
	*Tred lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * TOI Indicator *Moving averages Trading Strategies
	*Tred lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * TDI Indicator * Moving averages Trading Strategies 1. Day Trading
	*Tred lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * TOI Indicator * Moving averages Trading Strategies 1. Day Trading * Scalping
	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * TOI Indicator * Moving averages Trading Strategies 1. Day Trading * Scaping * Intraday Trading Techniques
	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * TOI Indicator * Moving averages *Trading Strategies 1. Day Trading * Indiang Trading * Indiang Trading * Indiang Trading Techniques 2. Swing Trading * Intrady Trading * In
	*Tred lines and channel 4. Indicators and sociillator * RSI, MACD, Stochastic Oscillator * TOI Indicator * Moving averages *Trading Strategies 1. Day Trading * Scalping * Intradity Trading Techniques 2. Swing Trading * Medium-term Strategies
	*Tred lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies * Medium-term Strategies * Using Techniques * Using Techn
	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * TOI Indicator * Moving averages *Trading Strategies 1. Day Trading * Scalping * Sca
	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies 4. Using Technical and Fundamental Analysis 3. Position Trading 4. Long-term Trading
	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * TOI Indicator * Moving averages *Trading Strategies 1. Day Trading * Scalping * Sca
	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies 4. Using Technical and Fundamental Analysis 3. Position Trading 4. Long-term Trading
Module 4 DAY 7	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies 4. Using Technical and Fundamental Analysis 3. Position Trading 4. Long-term Trading
	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies 4. Using Technical and Fundamental Analysis 3. Position Trading 4. Long-term Trading
DAY 7	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies * Medium-term Strategies * Using Technical and Fundamental Analysis 3. Position Trading * Using Technical and Fundamental Analysis * Using Technical and Fundamental Analysis * Using Macroeconomic Trends Our Trading system Our Trading system
	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * TO Indicator * Moving averages *Treding Strategies 1. Day Trading Techniques 2. Suing Trading * Stochastic Oscillator * Moving averages * Using Trading Techniques 2. Suing Trading * Medium-term Strategies * Using Technical and Fundamental Analysis * Position Trading * Using Technical and Fundamental Analysis * Using Macroeconomic Trends * Using Macroeconomic Trends * Using Macroeconomic Trends * Our Trading system * Psychological level
DAY 7	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategles 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies * Medium-term Strategies * Using Technical and Fundamental Analysis 3. Position Trading * Using Technical and Fundamental Analysis * Using Macroeconomic Trends Our Trading system * Psychological level * Psychological level * Terndilines * Terndilines
DAY 7	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * To Indicator * Moving averages *Trading Strategies 1. Doy Trading * Scaphing * In traday Trading Techniques 2. Swing Trading * Nedoun-term Strategies * Using Technical and Fundamental Analysis 3. Position Trading * Using Technical and Fundamental Analysis * Oscillator Trading * Using Technical and Fundamental Analysis * Oscillator Trading * Using Macroeconomic Trends Our Trading system * Psychological level * Trendlines * High/Row of the week
DAY 7	*Tred lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategles 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategles * Using Technical and Fundamental Analysis 3. Position Trading * Using Technical and Fundamental Analysis * Using Macroeconomic Trends Our Trading system * Psychological level * Psychological level * Trendlines * High/low of the week * Chart pattern
DAY 7	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * To Indicator * Moving averages *Trading Strategies 1. Doy Trading * Scaping * Intraday Trading Techniques 2. Sowing Trading * Needown-term Strategies * Using Techniques 2. Wedown-term Strategies * Ling Technical and Fundamental Analysis * Jouen Trading * Using Techniques * Using Techniques * Osing Trading * Using Macroeconomic Techniques * Osing Trading * Using Macroeconomic Techniques * Heighlow of the week * Translines * Highlow of the week * Chart pattern * Placing you first trade- Things to look out for
DAY 7	*Tred lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategles 1. Day Trading * Scaping * Intraday Trading Techniques 2. Swing Trading * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategles * Using Technical and Fundamental Analysis 3. Position Trading * Using Technical and Fundamental Analysis * Using Macroeconomic Trends Our Trading system * Psychological level * Psychological level * Trendlines * High/low of the week * Chart pattern
DAY 7	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * To Indicator * Moving averages *Trading Strategies 1. Doy Trading * Scrabing* * Intraday Trading Techniques 2. Sowing Trading * Intraday Trading Techniques 2. Sowing Trading * Needown-term Strategies * Using Techniques 2. Using Trading * Using Techniques * Using Macroeconomic Techniques * Using Macroeconomic Trends * Using Macroeconomic Trends * Using Macroeconomic Trends * Using Macroeconomic Trends * * * * * * * * * * * * * * * * * * *
DAY 7	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * To Indicator * Moving averages *Trading Strategies 1. Day Trading * Scalping * Intraday Trading Techniques 2. Swing Trading * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies * Medium-term Strategies * Losing Techniques 2. Swing Trading * Using Technical and Fundamental Analysis 3. Position Trading * Using Macroeconomic Trends * Using Macroeconomic Trends Our Trading system * Psychological level * Pitchylogical level * High/low of the wek * High/low of the wek * High/low of the trends * Placing your first trade—Things to look out for * How to spot a agood entry signal * CMALLENGE FOR QUIRICATION CHALLENGE FOR QUIRICATION
DAY 7	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * To Indicator * Moving averages *Trading Strategies 1. Doy Trading * Scrabing* * Intraday Trading Techniques 2. Sowing Trading * Intraday Trading Techniques 2. Sowing Trading * Needown-term Strategies * Using Techniques 2. Using Trading * Using Techniques * Using Macroeconomic Techniques * Using Macroeconomic Trends * Using Macroeconomic Trends * Using Macroeconomic Trends * Using Macroeconomic Trends * * * * * * * * * * * * * * * * * * *
DAY 7	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * To Indicator * Moving averages *Trading Strategies 1. Day Trading * Scalping * Intraday Trading Techniques 2. Swing Trading * Intraday Trading Techniques 2. Swing Trading * Medium-term Strategies * Medium-term Strategies * Losing Techniques 2. Swing Trading * Using Technical and Fundamental Analysis 3. Position Trading * Using Macroeconomic Trends * Using Macroeconomic Trends Our Trading system * Psychological level * Pitchylogical level * High/low of the wek * High/low of the wek * High/low of the trends * Placing your first trade—Things to look out for * How to spot a agood entry signal * CMALLENGE FOR QUIRICATION CHALLENGE FOR QUIRICATION
DAY 7	*Trend lines and channel 4. Indicators and oscillators * RSI, MACD, Stochastic Oscillator * NSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Doy Trading * Scaping * Invariably Trading Techniques 2. Swing Trading * Invariably Trading Techniques 2. Swing Trading * Needum-term Strategies * Needum-term Strategies * Using Technical and Fundamental Analysis 3. Position Trading * Using Technical and Fundamental Analysis * Oscillator Trading * Using Technical and Fundamental Analysis * Oscillator Trading * Using Macroeconomic Trends * Using Macroeconomic Trends Our Trading system * Psychological level * Trendlines * High/Row of the week * Chart pattern * Placing your first trade-Things to look out for * How to spot a good entry signal CMALLENGE FOR QULIFICATION PASS AN ONLINE FOREX TEST WITH THE KNOWLEDGE GAINED IN THIS MODULES(NOTE-PASS MARK IS 70%)
DAY 7	*Trend lines and channel 4. Indicators and socillators * RSI, MACD, Stochastic Oscillator * RSI, MACD, Stochastic Oscillator * Moving averages *Trading Strategies 1. Day Trading * Scalping * Intraday Trading Techniques 2. Swing Trading * Intraday Trading Techniques 2. Swing Trading * Using Technical and Fundamental Analysis 3. Position Trading * Using Technical and Fundamental Analysis * Using Macroeconomic Trends * Using Macroeconomic Trends Our Trading system * Psychological level * High/low of the week * High/low of the week * High/low of the trends * Placing your first trade—Things to look out for * Placing your first trade—Things to look out for * How to spot a good entry signal CKMALLENGE FOR QUIRICATION CHALLENGE FOR QUIRICATION
